

## **David Irwin, Director**

David is a lifelong Bay Area resident serving his third year on the District's Board of Directors and is a member on both the Public Relations and Capital Improvement Projects committees.

David has over 12 years of experience in the utility industry with Pacific Gas & Electric Company. Currently, he is the Public Safety & Regulatory Supervisor for San Francisco and San Mateo Counties where he manages the annual electric distribution inspection program and regulatory compliance. Prior to this role, he was an Electric Distribution Supervisor, who led a workgroup that constructed, maintained and repaired electric overhead and underground facilities. David started his PG&E career as a Utility Worker, progressed through apprenticeship training and served as a Journeyman Lineman for more than 5 years.

Prior experience includes design and administration of enterprise computer networks as a Network Engineer with global telecommunication and Internet service provider companies. He has a technical degree in network engineering and management and is a Cisco Certified Design Associate, Cisco Certified Network Associate, and Microsoft Certified Systems Engineer. He also served in the United States Coast Guard as a Boatswain's Mate Second Class Petty Officer where he participated in countless search and rescue missions, maritime law enforcement, and homeland security operations.

David cofounded San Francisco Warriors Football, the first unlimited weight youth football organization within San Francisco and Northern Peninsula, giving all kids an opportunity to learn and play American tackle football regardless of their weight. David served on the Warrior's Executive Board and as head coach for three seasons. In his "spare" time he enjoys the outdoors and traveling with his wife, son and daughter.
